

Literature I Assignment Guidelines

Explanation: You will be reading, writing, and speaking for various purposes while you develop skills in Literature I. As you prepare projects for the class, adhere to the following content guidelines.

Format:

Formal Written Assignments

- Provide a heading in the upper right hand corner of the paper. Include the following information: your first and last names, date, and block.
- Type or write in blue or black ink on final drafts.
- Double space or skip lines on final drafts.
- Use only one side of the paper.

Creative Projects

- Provide an appropriate heading on the back of the project or a cover sheet.
- Follow the guidelines of the project requirement sheet.

Content: Use appropriate content for the classroom. Avoid the following inappropriate information in written and oral assignments:

- profanity
- drug and alcohol references
- sexual references
- violence
- inappropriate slang
